

1 4. After having been employed in the legal field for more than two decades with a single
2 employer, Heller Ehrman LLP, my honesty is extremely important in getting and maintaining
3 employment. In my recent efforts to find employment, I am asked every single time why I have
4 been terminated, or what had happened in my last position. If I am honest, I am forced and
5 compelled to state that I was fired for time card fraud.

6 I declare under penalty of perjury under the laws of the United States of America that the above
7 is true and correct.

8 Executed on July 20, 2007 at SF, California.
